

North Toronto Christian School

2019 SUMMER SCHOOL

ESL Credit Courses

General Information

North Toronto Christian School is offering the following English as a Second Language credit courses during the month of August 2019:

ESLCO – English as a Second Language Level C

ESLDO – English as a Second Language Level D

ESLEO – English as a Second Language Level E

These courses will satisfy Ontario Ministry of Education credit requirements and can be used to count toward the 30 credits students need to complete in order to receive their Ontario Secondary School Diploma (OSSD). This course will include 110 hours of classroom instruction.

These English courses are designed for students whose first language is not English. They are intended to provide grade level appropriate instruction in the various language areas of reading comprehension, literature, grammar, vocabulary and writing to help prepare students to study in an academic program at a university bound level of difficulty. Students will have the opportunity to improve their English skills prior to the beginning of the new school year in September 2019, and to make progress through the English courses that they require to eventually study in the Grade 11 (ENG3U) and Grade 12 (ENG4U) academic English classes.

Initial assessments will be done to tailor the workload to the needs of each student. A report card will be issued upon completion of the course that summarizes the work undertaken during the program and provides commentary as to areas of particular strengths and weaknesses.
