RED CROSS INSTRUCTOR COURSE

This course will allow successful candidates the opportunity to instruct the Red Cross Swim Program. Qualified instructors may have the opportunity to work for local parks and recreation departments, private clubs, schools or summer camps, including NTCS Aquatics.

The Red Cross Water Safety Instructor Course focuses on developing leadership and instructional skills. There will be approximately 10 hours of lessons which includes classroom and in pool instruction. Following the instructional time, students must complete the practical component which will require them to assist an instructor with a Swim Kids class and complete a series of on-line modules. Students must attend **all classes** and complete **all module assignments** to satisfy the requirements of the course.

Practicum: Completion of this portion of the course requires students to assist in teaching the Bronze Star, Bronze Medallion or Bronze Cross course on one of the following dates: May 7, 14, 28 or June 4 from 1:15 p.m. to 7:15 p.m. The course instructor will negotiate a date with each candidate.

Prerequisites: 15 years old and a current Bronze Cross certification.
