## NOTES TO PARENTS

**By enrolling your child(ren) in the NTCS Aquatics Program, you agree to the following in order to help us maintain a safe and pleasant environment for all involved in the swimming program.**

- Changeroom policy – Children 5 years and older are not permitted to enter the changeroom of the opposite sex, either to change themselves or to assist a sibling. Parents may never enter the change room of the opposite sex.
- It is very important that you supervise your children at all times, particularly those who are waiting for their lessons or brothers and sisters who come with swimmers. Please ensure that your children are with you and do not remain unattended.
- During the hours designated for swimming lessons, the gym is not available to parents or children.
- We would also ask you to refrain from eating and/or drinking in the hallways and pool viewing area.
- No credits or refunds will be given once a session has started. If you do need to cancel your registration, it must be done at least one week prior to the start of the session.
- No video-taping or still photography of the pool area is permitted at any time.
- **\*\* Please do not feed your child a big meal 1 hour before their lesson.**

Thank you.
